

Engrave Your Name in History

Here is a unique opportunity to leave a legacy for all those who visit Mayo Healthcare. Our beautiful walking path has been designed as an area of safe outdoor walking and peaceful resting for residents, staff, and visitors alike. The walkway will feature laser engraved 4" X 8" Admiral Red bricks with messages of remembrance, honor, and encouragement. To be included in this walkway you may order commemorative bricks with your personal message for a donation of \$100.00 per brick.

How to personalize a brick:

1. Each brick may have up to 3 lines with 20 character spaces per line.
2. Spaces, commas, dashes, periods, quotation marks, and semicolons all count as one space.
3. The text may be in all upper case or both upper and lower case.
Please specify your preference on the attached form
4. The brick maker will automatically center your message.
5. Free clip art may be added. Please contact Kathi Tynan, 802-485-3161, for our clip art library
